

Christian Nwachukwu

Software Engineer

chrisnwachukwu107@gmail.com | +234-810-494-8700 | Lagos, Nigeria

Dedicated Software Engineer with over 4 years of experience specializing in front-end development and building high-performance web applications. Expertise in React.js, Next.js, and TypeScript with a proven track record of delivering high-quality products and mentoring over 100 students in Agile environments.

EXPERIENCE

Apexbyte

September 2024 – January 2025

Front End Developer

- Collaborated with a cross-functional team of engineers to develop and maintain complex software applications.
- Leveraged React.js, TypeScript, and Git to implement efficient development workflows.
- Architected responsive user interfaces ensuring high performance, scalability, and seamless user experiences.

Flip To Tech

August 2023 – September 2023

Front End Developer

- Designed and implemented modern user interfaces using React.js and Tailwind CSS.
- Ensured cross-browser compatibility and mobile responsiveness across diverse platforms.
- Integrated reusable components strategically to reduce overall development time and improve maintainability.

Flip To Tech

March 2023 – August 2023

Junior Developer

- Spearheaded technical instruction for over 100 students, focusing on HTML, CSS, and JavaScript fundamentals.
- Assisted senior developers in debugging, code optimization, and the implementation of new project features.
- Streamlined development processes through active participation in code reviews and technical support.
